- **Latex Centrifuging Factory :**

SFCK is one of the major producers of high quality Centrifuged Latex(cenex) in India. The Corporation commissioned a Latex Centrifuging Factory at Chithalvetty in 1997. The Factory is

having a processing capacity of 27 Mts. of field latex per day in three shifts. We are producing 60% Centrifuged Latex(Cenex) and its standard by- products .

Our product, Cenex (ie.60% Centrifuged Latex) has got BIS Certification (ISI mark) and Factory has got ISO 9001: 2008 Certification of NQA (National Quality Assurance), London.

- **Trivandrum Rubber works Ltd.**

The Management of TRW was entrusted with us in 1994 and the production activities of which were stopped in November 2005 due to the government notification to transfer the land of TRW to Airport Authority of India. The land was formally handed over to Airport Authority and now TRW is under liquidation proceedings.
